Policy 10.0

PICK UP AUTHORIZATION

Children are only released to people that have been preapproved by families.

Procedure:

1. Parents are required upon registration to provide information for at least two emergency contacts.
2. Another section will be provided to list other people that may pick up the child.
3. ID is required by anyone who is new to picking up the child. The ID will be matched with the information provided by parents.
4. Educators have the right to deny pick up to unidentified people.
