Early Learning Centre

Policy 2.0

GRADUAL ENTRY

In an attempt to make each child as comfortable as possible the daycare follows the gradual entry process.

Procedure:

1. Parents and children are required to meet with educators one week prior to start date. The educator will:
 - a. Conduct a tour of the building
 - b. Fill out any remaining paperwork
 - c. Answer any questions the parents/children may have
 - d. Go over the policy manual and parent handbook with the families
2. On the child's first day at the centre, depending on the child's comfort level, the parent may be asked to stay longer than expected.

*CHILDREN UNDER 3:

1. Parents should be prepared to dedicate the first week to a comfortable entry for their child.
